From the President...

by *Bobbie Hopp, President*

Nebraska winters can be tough but being forced to slow down and escape from our hectic schedules on a snow day can help us to regenerate and sharpen the saw. I took some time to read what previous Presidents

have written about their endeavors, and I saw a pattern in their thoughts over the years. Some of the language they used was: "not the outcome we had hoped for," "painful," "moving forward," and "thanks to the dedicated workers." It clearly shows they had courage to implement change regardless of the outcome and their appreciation for all who served. I find that after 33 years, we continue to be progressive, and we are building an organization that our founders would still be proud to call NWAGA.

For the first time in our history, NWAGA will share an employee with the Nebraska Golf Association. This will give our organization the consistency it has so desperately needed. I am pleased to tell you that Monica Novak will be the new Managing Director of NWAGA. You may remember her as our P. J. Boatwright Intern in 2005. I can only reiterate what Past President Jane Pohlman said at Monica's departure: "Monica is a dedicated, enthusiastic individual with a first-class attitude and work ethic."

Our P. J. Boatright Intern, Chad Pfeifer, finished in January, and he has been hired at a new position in Omaha. We welcome our new intern, Katie Orcutt. Katie is originally from North Platte and is attending Hastings College. She will start at the end of May following graduation.

Your NWAGA officers have been busy working for our organization over the winter months. We started with a Tournament Committee meeting in November in Lincoln. Members of the committee were: Debbie Sandstedt, Pam Gallagher, Janie Clinton, Laura Saf, Mary Jane Smith, Cathie Moeller and myself. It was a very productive meeting that addressed the concerns expressed by our general membership. With the approval of the board, the following changes will be made this year:

- There will be no pre-flighting in the Eastern or Western Stroke Play tournaments. Competitors

will be flighted according to their score on the first round.

- There will not be a gross division in the Four Ball. It will become an entirely net tournament with a gift certificate awarded to the low gross team.

- The Scramble will be flighted. It will be a gross tournament (no handicaps will be used) with flights being determined by first-round scores.

- NWAGA will also offer online entries this year to those members who would like the convenience and prefer using a credit card as payment. There will be a \$5 fee for processing and assuring that information is secure. One person on the team will process online entries for tournaments with partners.

Cathie Moeller and Laura Saf have continued to work on guidelines for our tournaments throughout the winter. This is a very tedious job that requires a great deal of thought. They have been busy checking times, formats, budgets, and information for the TOT before it is sent to Mary Ann James for the final proofreading. They contact every chairwoman to make sure they receive any help necessary for a great tournament. I cannot thank them enough for the time they have given to this organization.

In closing, I would like to send out a special thank you to Kathy Wood for serving as our Executive Director last year and for all the years of service she has given to NWAGA. We certainly appreciate all of her efforts and her commitment to the organization. I also want to thank Jan Sammet for her loyalty to NWAGA and for serving as Membership Chairwoman for five years. She was always a welcoming figure at our annual meetings as she handed our packets to the NWAGA representatives. Julie Kleager (Executive Secretary) and Karen Thompson (Eastern Director) both finish a three-year commitment to NWAGA. Thank you all.

When the Founders built their rocket ship in 1973, they had no intention of leaving it on the ground. In fact they took an entire year (1974) to make sure that it was perfect. Our job is to maintain and renovate it with the latest visions and high-tech equipment.
